The session will be run by professional scouts from the Major League Baseball Scouting Bureau, led by Rick Oliver. The session will be similar to tryout camps run by the Bureau in the United States with each player evaluated in key skill areas. With the number of attendees at the sessions being limited, each player is certain to have a thorough evaluation by the scouts.

Further information on the session - including directions to the venue, a tryout schedule and a list of items each player should bring – is attached with this letter. Please pass this information along to the players and have them contact Marc Ullrich (+44 207 453 7046 or [marc.ullrich@mlbi.co.uk](mailto:marc.ullrich@mlbi.co.uk)) in our London office if they have any questions.

Please reiterate to your players that they must bring a signed MLBSB Tryout Waiver with them to participate in the session. If they are under 18 years old, this form must additionally be signed by a parent or guardian of the player.

As always, thank you for your help and support. This year's Academy is shaping up to be even better than the last and the players invited to the try-outs truly represent the best young talent in Europe. We are looking forward to seeing your players on the field.

Best regards,
